

COMPANY REGISTRATION FORM

1. Name of the company:

Mkono Global Kenya Limited

(Insert name of company as reserved)

2. Type of company: [Select private](#)

☐ Public ☐ Private ☐ Limited by guarantee ☐ Unlimited (either public or private)

(Select the type of company that applies)

3. The company—

☐ has prepared its own articles of association; or

☐ will adopt the model articles of association appropriate to the company; or [select this one](#)

☐ will adopt some of those model articles and has prepared its own articles of association to supplement or modify those model articles.

(Select the option which applies)

*If the company has prepared its own articles or articles to supplement or modify the model articles, those articles have been printed, dated and signed by the applicants and are attached to this application.

Target business start date: 01/08/2026

Target accounting period end month: December

Number of employees at target business start date: 3 [We just going to put a generic number here](#)

4. Physical address [Here you are going to do some research.](#)

Name of building/Plot No.	Home office, A Serviced office, A virtual office with physical address, co-working space	Floor/Room No.	
Street/Road		Town	
District		County	

1. Registered Office (Required by Law) - Every Kenyan company must have a registered office address where official government correspondence can be sent.

5. Contact address [Put your contact information here](#)

P.O. Box	Your address here	Postal Code	Your information here
Office No.	Your information here	Mobile No.	Your information here
Email address ¹	Your information here		

This does not have to be a traditional office with employees sitting there every day. Many companies use:

1. A home office.

2. A serviced office.

3. A virtual office with a physical address.

4. A co-working space that provides a registered address. This address is what goes on your registration documents.

¹ Please provide an email address which has never been used on iTax [Be very careful with this part for email](#)

6. Details of the first directors, secretary and authorized signatory of the company²

Name and designation	Postal address	Identity card or passport number ³	Nationality	Tel no. and email address	Consent to act as director/ secretary ⁴ (signature of individual)
Your information ONLY					

(Attach 1 copy of national I.D, KRA-PIN and coloured passport photograph of each director)

7. Objects (if any) for which the company is established⁵

Primary business activity: Business execution support services and procurement.

Secondary business activity: Information technology services, software development and business consultancy.

Kenya is tricky. Let's avoid using big words that people at the Business Registration offices don't hear every day, such as "global operations infrastructure, Customer conversational Interface, Execution as a Service" especially when communicating with the diaspora

8. Liability of the members

☒ Limited by shares ☐ Limited by guarantee ☐ Unlimited

(Select the item that applies to the company)

9. Share capital

If the company is limited by shares, its share capital is KES 1,000,000 (Insert amount of share capital) divided into 1,000,000 Ordinary Shares number of shares of KES 1.00 each.

Class of shares	Number of shares issued	Nominal value of issued shares
Ordinary Shares	1,000,000	KES 1.00
Total nominal value of issued shares		KES 1,000,000

10. Paid up capital

The amount to be paid up (if any) on each share: KES KES 1.00

The amount to be unpaid (if any) on each share: KES KES 0.00

My recommendation

If there is little or no additional government cost: 1,000,000 ordinary shares at KES 1 each.

If there is a meaningful increase in incorporation cost: 100,000 ordinary shares at KES 1 each and amend the capital structure later when you actually need it.

² At least 1 director must currently be registered on iTax

³ Add issuing country and place and date of issue if a passport number is provided.

⁴ A private company is required to have a secretary only if it has a paid up capital of KES 5,000,000 or more.

⁵ Unless the articles of a company specifically restrict the objects of the company, its objects are unrestricted.
